

BODY STARTER REGENERATING SCRUB

DESCRIPTION

Soft scrub in a gel for a gentle exfoliating action.

ACTION

It gently removes impurities and dead cells, providing skin with newfound purity, softness and a fresher and smoother appearance. It carries out a powerful moisturizing action thanks to Red Algae Gel and Plankton Extract.

ACTIVE INGREDIENTS

Active ingredient	Action
Red Algae Gel	Moisturizing
Plankton Extract	Moisturizing
Dark Algae Extract	Moisturizing

SUGGESTIONS FOR USE

Once or twice a week, massage gently on the body, leave on for a few minutes and rinse.

SELLING TIPS

A mild product, specific for renewing the epidermis, making it more receptive and activating its vital functions.
